Grant Proposal
Project Guidelines

\$5000 Grant request

1/12/2021

My small business proposal takes advantage of a situation where people cannot physically attend work and are now seeking alternate Revenue options. I will be doing small business start up packages including but not limited to logo design web design business listings fictitious business name filings legal support contracts and general consultation explaining the professional practices.

Approximately \$4835 to re-start my business and I can verify every cent spent

I WOULD TAKE UPWARDS OF 4X WHAT I AM ASKING FOR (FROM \$5000 TO \$20000) BUT I AM HONEST AND HARD WORKING AND NOT GREEDY AS YOU CAN SEE BY MY THOROUGH GRANT APPLICATION.

Thank you.
